Professor, Curry College

Dotty is a Professor of Education at Curry College in Milton and earned her doctorate in education at Johnson and Wales University. Dotty's expertise is in early education and care, early childhood curriculum, pedagogy, and child development.

Wednesday, October 23, 2019

7:00-9:00 PM

Discovery Schoolhouse

101 Blue Hills Pkwy.

Milton, MA

for parents of children

2.5 to 4 years old

Childcare will be provided and requires registration.

Parents, come learn why play is so important to a child's development and how it contributes to achieving developmental milestones. And, yes, you will be playing!! In this parent workshop, you will partake in hands-on play at learning centers, learn how play informs your child's development, have some fun, and maybe even get a bit messy.

Registration is required: email cpcmecasld@verizon.net or call 617-696-2262.

This event is FREE thanks to the Milton Junior Woman's Club and their generous support of our programming!

We gratefully acknowledge the First Congregational Church for their generous support of our office space.
