# BEYOND REMOTE CONTROLLED CHILDHOOD

Creating and Finding Balance in the Media Age

Diane E. Levin, Professor of Education

Wheelock College, Dept. of Early Childhood Education

Join us as Dr. Levin discusses ways in which families can effectively manage media and technology in the lives of their children, describes their effects on learning, play, and development, and explains the value of concrete hands-on play experiences for learning.

To learn more about Dr. Levin's work as an educator, author, and children's activist, visit her website at [dianeelevin.com](http://dianeelevin.com).
